- Provide proof of health insurance
- Obtain and maintain CPR certification
- Submit background check and drug screening arranged by Lawson State Community College (out of pocket cost)
- Meet Essential Functions

PHYSICAL DEMANDS

- have the physical agility to walk, climb, crawl, bend, push, pull, or lift and balance over less than ideal terrain
- have good physical stamina, endurance, which would not be adversely affected by having to lift, carry, and balance at times, in excess of 125 pounds (250 pounds with assistance)
- see different color spectrums
- have good eye-hand coordination and manual dexterity to manipulate equipment, instrumentation, and medications (Problem-Solving Abilities, data collection, judgment, reasoning)
- be able to send and receive verbal messages as well as operate appropriately the communication equipment of current technology
- be able to collect facts and to organize data accurately, to communicate clearly both orally and in writing in the English language (at ninth-grade reading level or higher)
- be able to differentiate between normal and abnormal findings in human physical conditions by using visual, auditory, olfactory, and tactile observations
- be able to make good judgment decisions and exhibit problem-solving skills under stressful situations;

- be attentive to detail and be aware of standards and rules that govern practice
- implement therapies based on mathematical calculations

WORKER CHARACTERISTICS

- possess emotional stability to be able to perform duties in life-or-death situations and in potentially dangerous social situations, including responding to calls in districts known to have high crime rates;
- be able to handle stress and work well as part of a team
- be oriented to reality and not be mentally impaired by mind-altering substances;
- not be addicted to drugs or alcohol
- be able to work shifts of 24 hours in length
- be able to tolerate being exposed to extremes in the environment, including variable aspects of weather, hazardous fumes, and noise
- possess eyesight in a minimum of one eye correctable to 20/20 vision and be able to determine directions to a map
- Students who desire to drive an ambulance must possess approximately 180 degrees peripheral vision capacity, must possess a valid Alabama driver's license (if a resident of Alabama), and must be able to operate a motor vehicle safely and competently in accordance with State law

All EMS students are required to successfully complete LSCC ORI101 or ORI101T to be eligible for the EMS Certificate.

All EMS students must meet the minimum age requirement of 18.

We encourage all applicants to review the EMS Student Handbook located on our website for details prior to making application to the EMS Program(s).

I certify that the information given in this application is true and correct. I understand that providing false information may be deemed sufficient reason to dismiss the student and/or refuse admission. My signature below indicates that I have been truthful in completing this application, and it also indicates that I am fully aware that meeting minimal admission requirements does not guarantee program acceptance.
