***Note: If an employee has any service prior to January 1, 2013, the employee will be classified as a Tier 1 participant. Employees hired on or after January 1, 2013 are classified as Tier 2 participants.**

Tier 1: Employee may retire after 25 years of service or upon attaining age 60 with at least 10 years of service.

Tier 2: Employee may retire after 10 years of service and the attainment of age 62.

After the employee is eligible for retirement, he/she may apply unused sick leave toward retirement. If employee leaves the system before becoming vested, he/she may withdraw all deposits. If employee dies while covered by the Retirement System and before retirement, his/her beneficiary receives \$15,000 life insurance, one year's salary, and all payment made to the Retirement System.
