

Online Admission Application and In-State Residency Status Verification Form
(The signature page of this document is required for all those who apply for admission online.)

If an applicant checks one of the first two boxes denoted on the next page, he / she will be systemically categorized as an Alabama resident and will be charged tuition at the in-state, resident rate.

If an applicant cannot check one of the first two boxes denoted on the next page but intends on petitioning for in-state residency, he / she is required to complete a Lawson State Community College Certification of Eligibility for In-State Residency form (in addition to this form) and provide sufficient documentation to the Director of Admissions. The additional form is available on the website at: www.lawsonstate.edu / Admissions. The Director of Admissions must certify all documentation before the in-state residency status / tuition rate is official. The secondary form is required and it lists the types of documentation you may provide to potentially establish in-state residency. Please contact the Office of Admissions for more information (205-929-3414 or 205-929-6309). To petition residency status, applicants may download a Lawson State Community College Certification of Eligibility for In-State Residency form from the Admissions link on our website at: www.lawsonstate.edu. Documentation and the form may be mailed or personally delivered to either Admissions Office location.

To be deemed eligible for in-state tuition, an applicant must (1) be a United States citizen or be a non-citizen who has been granted permanent residency status by the United States government; and (2) the applicant must be either (A) a duly registered resident in the State of Alabama for at least 12 months immediately preceding application for admission, or (B) have a non-estranged spouse who has resided and had habitation, home and permanent abode in the State of Alabama for at least 12 months immediately preceding application for admission, or (C) in the case of a minor dependent seeking admission, have parents, parent, or legal guardian who have/has resided in the State of Alabama at least 12 months immediately preceding application for admission. If a student's parents are divorced, the residency of the parent to whom the court has granted custody will determine residence or a single individual under 19 years of age and a married individual under 18 years of age, but excludes an individual whose disabilities of non-age have been removed by a court of competent jurisdiction for a reason other than establishing a legal resident in Alabama. Supporting person means either or both parents of the student, if the parents are living together, or if the parents are divorced or living separately, then either the parent who has legal custody or, if different, the parent providing the greater amount of financial support. Should both parents be deceased, or if neither has legal custody, supporting person shall mean, in the following order: the legal custodian of the student, the guardian, and the conservator. If deemed ineligible, an applicant is charged the out-of-state, non-resident tuition rate.
