Thank you for your interest in the Carney Plumbing, Heating & Air Conditioning Plumbing and HVAC Scholarship. We have created this scholarship to help people interested in plumbing and HVAC as a career achieve their personal and academic goals. The heating and air conditioning industry needs talented technicians, so we hope that this scholarship will encourage young students to explore this field as part of their ongoing education. HVAC and plumbing technology is improving every day with many environmentally friendly and green options becoming available for businesses and homeowners. We need to continue to train skilled technicians who are able to understand and utilize this technology, as well as traditional equipment, for our industry to move forward.

If you are interested in plumbing and HVAC and currently pursuing a degree, please apply below for the Carney Plumbing, Heating & Air Conditioning Plumbing and HVAC Scholarship in order to be rewarded \$500. We will choose a winner based on the quality of your essays by July 31, 2012. The winning essay will be published on our blog, and the money will be given in your name directly to the school of your choice to help you complete your education.

Thank you again, we look forward to reading your essays!
